GarageVac

Revolutionary Design

Wall mounted, space saving vacuum cleaner designed for your garage or shop. GarageVac will exceed your expectations in suction power, ease of installation and versatility.

A Breakthrough in Garage Vacuum Design

Add power to convenience, throw in smart design throughout, and add simple, easy installation - meet the new GarageVac, a great addition to any garage. And did we say flexible? There's virtually no dry vacuuming task GarageVac can't handle with ease.

Installs in 10 minutes or less

Space saving design

The compact GarageVac needs only 2 1/2 square feet of wall space. That's less than half the space of other systems! And the integrated tool caddy keeps all your attachments organized in one place.

Versatile tools
make any vacuuming job a snap

Industry leading
2-year warranty

Five layer microfiber filtration dust bag

Handy tools for virtually any job

There's no nook or cranny you can't reach with the floor tool, telescoping wand, elongated dust brush, flexible detail hose, crevice tool and upholstery tool. And the unique 35-foot stretch hose shrinks to 8' for easy storage - just wrap it around the power unit and it's safely out of the way.

Environmentally friendly, too

GarageVac features HEPA type filtration - that means no dust or allergens are exhausted back into garage. And the easy-to-replace bag that holds about a gallon of compacted debris, means you'll go a long time between changes.

35-foot hose
shrinks to 8', and stores easily around the power unit

One-gallon
dust bag

Powerful 15 amp motor
with 512 air watts provides great suction power for all your cleanup jobs

And check out these features that make GarageVac so unique

- It's completely portable, making it a snap to take it with you on your boat or RV (Tool caddy removable).
- GarageVac works with any garage organization system on the market - however you organize your garage, GarageVac will fit right in.
- At just 9 pounds (and only 4 inches deep), GarageVac is easy enough for anyone in the family to use.
